Student: [Student Name]

Register Number: [Register Number]

I declare that this submission accurately describes my own work and contributions. External source code, datasets, pretrained models and supporting references have been credited. Any assistance from generative AI/coding agents has been disclosed separately. I have reviewed the project's behavior and test evidence, and I have not knowingly fabricated performance measurements.

This is an unsigned template, not an official university-issued certificate; confirm your institution's exact requirements before signing.
